

BIOMIMICRY 2016

THE ROAD TO RESILIENCY

Friday, March 11th, 2016 8:00 AM — 1:00 PM

The Biomimicry 2016 Conference is our inaugural convening of more than 200 professionals around biomimetic and energy efficient, nature inspired design. The Conference features: world class speakers, networking, and exhibitor tables. Complimentary registration, free parking, and breakfast provided by SCE. **Three CEU's will also be available for AIA, USGBC, and LFA credential holders.**
