

NET ZERO 2017

ENERGY + WATER + WASTE

THE NATION'S LARGEST NET ZERO BUILDING CONFERENCE

August 24^h, 2017 | IBEW NECA Net Zero Plus Facility | Commerce, CA

SPONSORSHIP PROSPECTUS

Net Zero Energy + Water + Waste is the nation's largest conference dedicated to net zero building design. Attendee registration has nearly doubled in each of its first three years, thereby showing the building industry's increasing interest in a net zero future. Verdical Group, the conference organizer, is projecting the host venue to be at capacity again for the fourth annual event in August 2017.

Align your organization and brand with a net zero future by becoming a sponsor today.

The conference will include a full day program of net zero case study presentations from nationally leading AEC firms, an exhibitor table expo, and high quality networking opportunities with a wide array of high level decision makers. Join us at #NZ17.
